

Academic Levels in U.S. Medical Schools

Number of Schools by Reported Number of Academic Levels in the Curriculum

Source: AAMC Curriculum Inventory, 2012-2013 Academic Year
aamc.org/cir

N = 90 U.S./Canadian Medical Schools

NOTE: Not all Participating Schools reported data for *all* Academic Levels in their curricula. Chart values therefore represent counts for schools reporting *at least* the indicated number of academic levels.
